

# HACK MATCH™

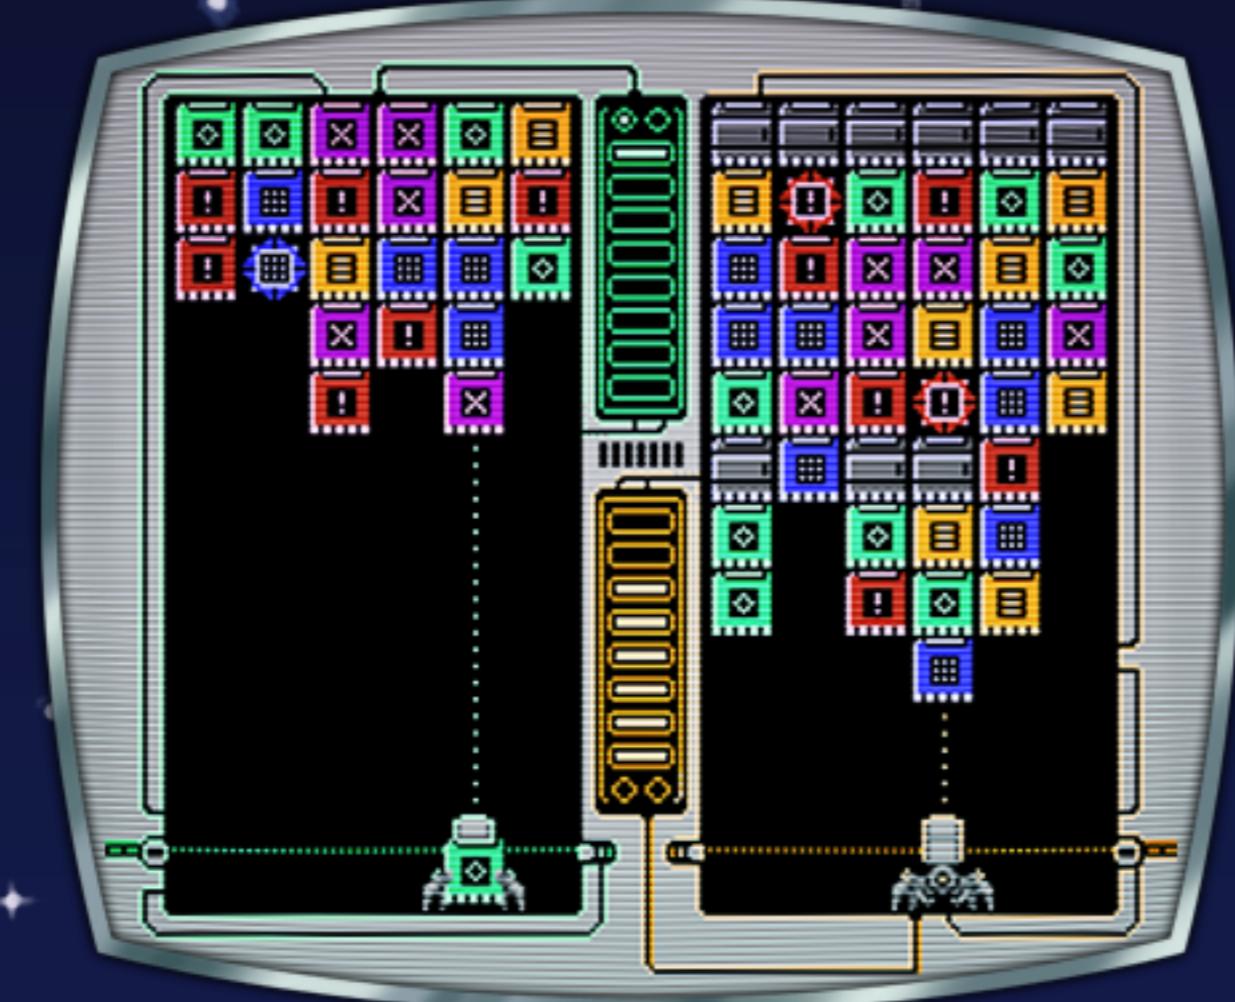

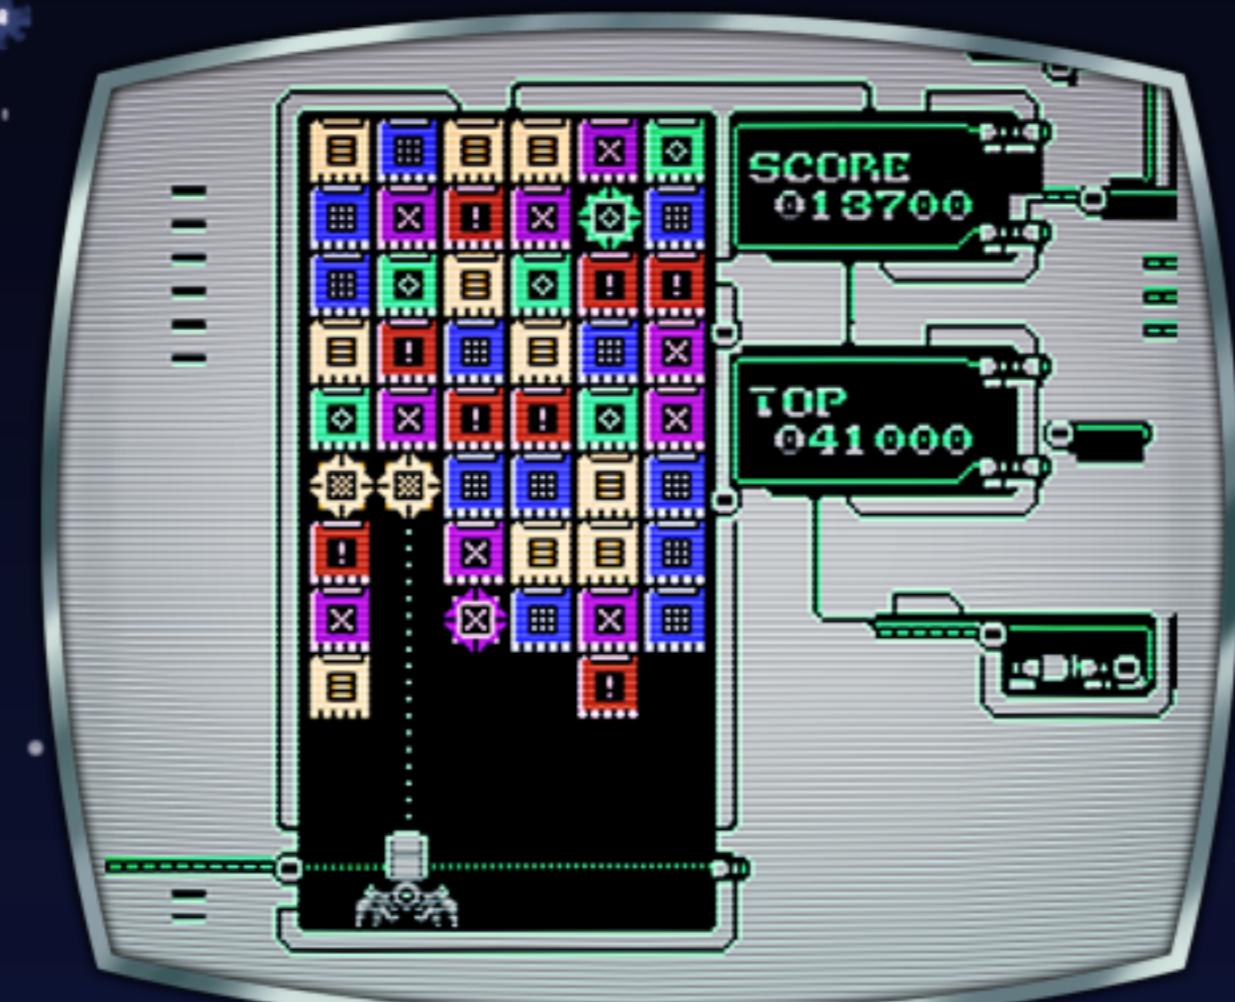

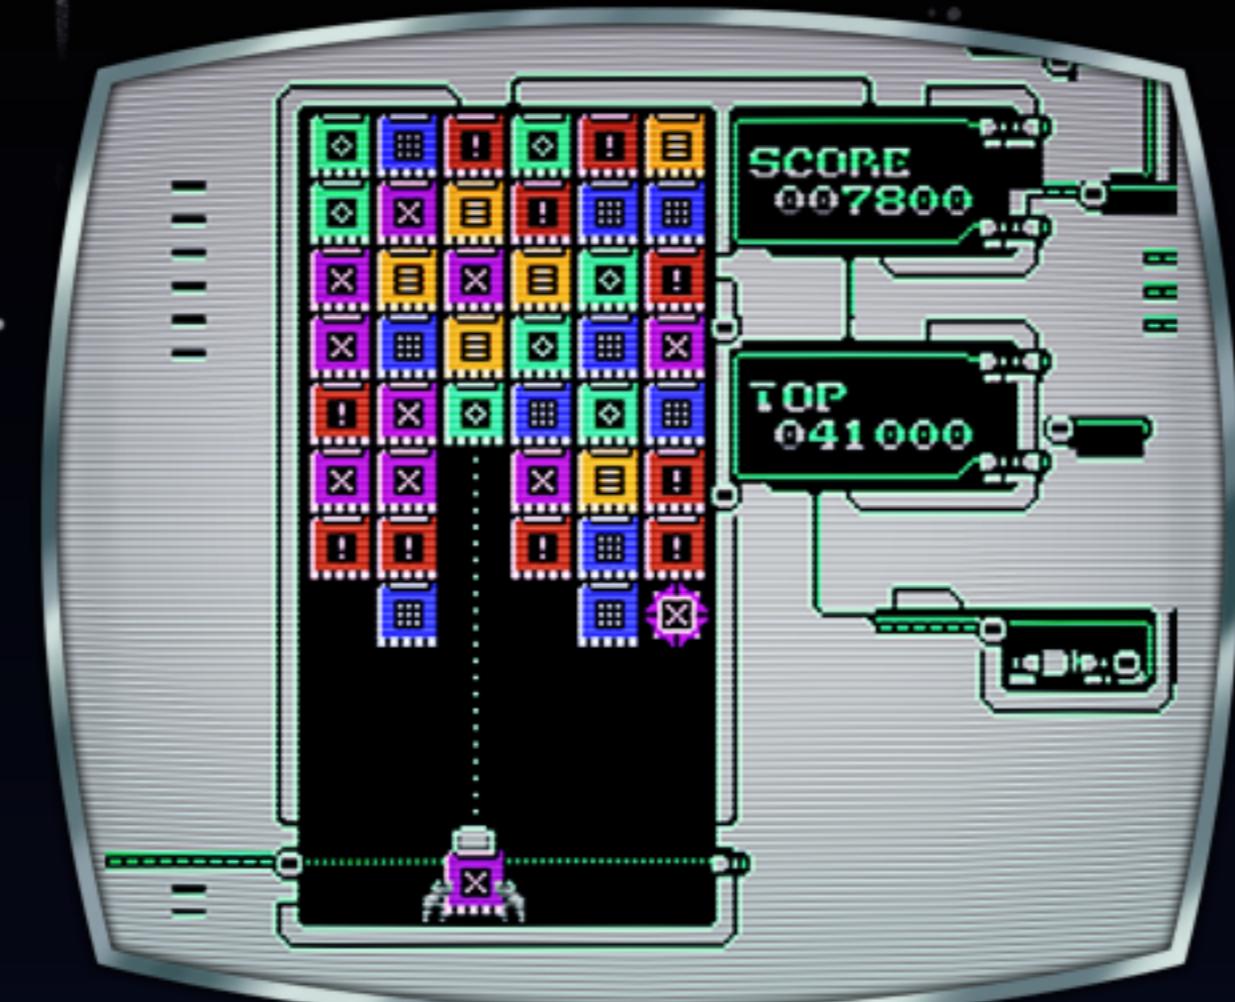

**MOVE IT. MATCH IT. HACK IT.**

## Think you've got what it takes?

Enter the Cyber Arena and put your action puzzle skills to the test in HACK\*MATCH! You'll need speed, dexterity, and plenty of smarts to get the highest score. Any move could be the difference between ultimate hacker glory—or humiliating defeat!

- Match four or more Data Files of the same color to make them disappear. Make multiple matches in a row for huge combo bonuses!
- Match two Logic Bombs of the same color to make all files of that color disappear. Now that's a hack!
- Challenge an opponent to a hacker showdown. Send them Garbage Files to slow them down and claim victory!

*See you in the Cyber Arena, super hacker!*
