

SHENZHEN 深圳 SOLITAIRE™

CHALLENGE THE DRAGON!

Think you've seen every solitaire variant out there? **Think again.**

SHENZHEN SOLITAIRE is a brand new kind of solitaire inspired by Chinese Mahjong tiles that will test your wits and keep you coming back for more!

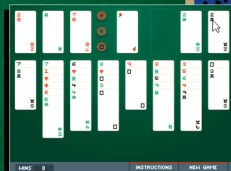

It starts simple: a deal of 40 cards, all face up. You just have to arrange the cards so they're in order by suit. But watch out for the menacing Dragon cards— they'll ruin your day faster than a Guangzhou typhoon!

SHENZHEN SOLITAIRE. It's easy to learn and provides an endless challenge. And it's oddly addictive. Don't say we didn't warn you...
